

## Transnational Cooperation 2014 – 2020

- Transnational action without common procedures is like dancing without music
- Common procedures need to allow for flexibility on national/regional level
- Coordinated Call TLN Mobility to be implemented by MS/Regions 3.Q2014
- Pre-selected Projects to be integrated in Database/Partner Search Forum

## Content of the coordinated call

- **Quality:** ex. Working language, not just survival
- **Eligibility:** ex. Advantages of SCO
- **Implementation Structures:** ex. Skilled Staff

## Implementation of national/regional calls

- **Partnership:** access, ongoing support, follow-up
- **Preparation:** language, target-group oriented, dealing with difficulties
- **Support needs:** programming for mobility, convince authorities/partners, how to participate in Coordinated Call?
